Marketing Operations • Process Improvement
Copywriting + proofreading • Customer experience
Visual communications • Brand stewardship
Print + digital collateral • Web content strategy
Workflow operations • Stakeholder communication
Cross-functional collaboration • Detail management

PROFESSIONAL EXPERIENCE

Marketing Specialist | **Valmont Industries, Inc.**
Omaha, NE
May 2022 - Present

- Lead marketing and communications support for Valmont Coatings, coordinating campaigns, web content, events, sales enablement, and internal/customer communications across a global network of 35+ coatings facilities.
- Serve as the central marketing liaison between sales, operations, HR, leadership, vendors, and creative teams, coordinating requests, aligning priorities, managing approvals, and ensuring projects move efficiently from intake through delivery.
- Lead logistics and cross-functional coordination of customer events, webinars, plant tours and conferences involving 50-100+ attendees.
- Develop campaign assets and content for websites, newsletters, social media, brochures, presentations, digital ads, recruitment initiatives, and technical education resources.
- Produce 30+ annual customer case studies and award submissions by conducting interviews, gathering project details and imagery, writing narratives, and packaging final materials; supported 11 American Galvanizers Association Excellence in Hot-Dip Galvanizing winning projects from 2023-2025.
- Improve marketing processes by standardizing project workflows and increasing efficiency and consistency across the broader Valmont brand.
- Track performance across Google Ads, social media, web, and sales enablement channels; use KPI trends to recommend content and campaign improvements, including an 18% year-over-year Facebook engagement increase in 2023.
- Manage a high volume of marketing requests from stakeholders, balancing business priorities, coordinating approvals and ensuring timely delivery across various company business partners.

Marketing Coordinator | **Valmont Industries, Inc.**
Omaha, NE
Jan 2022 - May 2022

- Supported the launch of an international ecommerce website by organizing customer-facing collateral and quality-checking content for accuracy, consistency, and ease of navigation.
- Managed dealer and internal marketing requests within a two-week turnaround, balancing urgency, brand standards, quality review, and stakeholder communication.
- Executed paid digital campaigns across Facebook, Instagram, LinkedIn, and YouTube while recording weekly analytics to support content planning and performance reporting.
- Coordinated multiple marketing requests and deadlines simultaneously while maintaining responsiveness, accuracy, and clear communication across teams.

Copywriting Intern | **Valmont Industries, Inc.**
Omaha, NE
May 2021 - Jan 2022

- Wrote and edited customer-facing copy for websites, videos, newsletters, digital ads, brochures, social media, and campaign materials.
- Translated technical and product information into approachable content for broader audiences while maintaining brand voice and accuracy.
- Collaborated with design and ecommerce teams in Agile workflows to complete deadline-driven projects and polished final deliverables.
